

Bariatric Patient Checklist

☐ Fasting Laboratory Tests

Laboratory orders will be faxed to your preferred lab. We recommend using the WCH Lab for convenience.

☐ Electrocardiogram (EKG)

Location: Watsonville Community Hospital, 75 Nielson Street, Watsonville, CA 95076
No appointment is required. Orders will be faxed following your visit. Please enter through the main entrance and register at the front desk (located to the left).

☐ Sleep Study Referral

(844) 387-5337

Please call to schedule your appointment two days after your initial visit.

☐ Esophagogastroduodenoscopy (EGD)

Location: Watsonville Community Hospital, 75 Nielson Street, Watsonville, CA 95076
The procedure will be scheduled by our office. Please enter through the main entrance and register at the front desk (located to the left).

☐ Psychiatric Evaluation

(831) 588-8032

Please call to schedule your appointment two days after your initial visit.

☐ Nutritional Consultation

(831) 726-4267

Our office will contact you to schedule this appointment once insurance authorization has been obtained.

☐ Follow-Up Appointment

Please schedule a follow-up visit on your way out approximately two months after your initial consultation.
